Negative Data Points Important

2014 -- 2017 *Lycorma* Detection Survey
Results through 12 October 2017

Spotted Lanternfly Presence

- Positive
- Negative

Quarantine

Covers all life stages and conveyances

Limits movement of commodities and home articles

May allow continued interstate and international trade.

Requires inspection and safe movement from the quarantine

Slows processes and trade down, but does not completely stop trade

Wood recycling can still be completed, but may need think about how is done

Lumber harvest may still be made, but may need timelines

What Is The Reason For The Quarantine?
